There is a lot to see in Belleville at Christmas time. Our Lady of the Snows has a "Way of Lights" with more than a million lights along with a Wreath & Tree display and a Gift Shop. There is a giant layout of large scale trains bigger than the Lionels' you remember along with a 1950's Lionel department store model layout in the showroom at Oliver C. Joseph, Inc.

There is a Christkindmarkt (German Christmas Market) where you can browse and find German food for your dinner and some interesting items for sale. There is a Gigantic Glockenspiel Clock Sand Sculpture in the public square, and a Gingerbread Walk Display.

There is certainly enough there to put any grouch in the Christmas Spirit, and we don't have any grouches in our group!

We will depart from the South side of mall (near the Farmer's Market location) at 10:15 and stop for lunch (on your own) on the way up.
