## **Recently Revised *Luther's Small Catechism* Will Soon Be Available for Purchase in Church Office**

More than a quarter of a century has passed since the *Explanation to Luther's Small Catechism* was updated. During that time, society and culture have changed dramatically: our culture is increasingly diverse in worldviews and religions. Specific changes contradict Christian beliefs and values: same-sex marriage, over-the-counter abortion pills, and atheist hostility toward Christian beliefs and values—leaving many to doubt if there is such a thing as absolute truth. **In September, you will be able to purchase a copy of the recently revised *Luther's Small Catechism* in the church office for the total cost of \$18.00.** The 2017 *Explanation* presents a lens to faithfully understand God's Word in the midst of changing times—providing a practical guide for living the daily Christian life.
