

**Special Gardens and Galleries
St. Louis
June 16, 2017**

This tour, led by Linda Koenig, takes us to gorgeous locations that people would otherwise never know to visit. These include the City of St. Louis City Garden, The St. Louis University Art Museum where we can view the marvelous collection of Chihuly glass, old masters, and the Western Jesuit Mission Collection, among others. We will visit the new Gateway Geyser and Arch overlook across the Mississippi River where we will see the St. Louis skyline from a different perspective. After lunch at the GRBIC, a beautiful Bosnian restaurant in the old Bailey’s Farm Dairy where the restored interior of European folk art is truly outstanding, as is the food, we will visit the healing garden atop the 8th floor of St. Louis Children’s Hospital. Then view the new Maya Lin fountain at the Washington University Medical School, and finally on to the beautiful gardens of Tower Grove Park.

Lunch, which is included, will be beef goulash served over spatzle, house salad, fresh bread, beverage and dessert.

We will depart from the South side of mall (near the Farmer's Market location) at 6:45 A.M.
