

# DIVERGE

Romans 12:2

**WHO:** You

**WHAT:** Crazy Dress Night

**WHERE:** Your Quake event

**WHEN:** Saturday night

**WHY:** Why not? It's fun!

## What's good?

Mix and match, neon, inside out clothing, hats, boas, jewelry, duct tape, glitter, wild hair and makeup or costumes. Get your group to dress up together!

## What's not so good?

Swimsuits, revealing shirts, short skirts (unless over other appropriate clothing), undergarments over clothing or anything taken from your hotel room. If you wouldn't want your grandma to see it, we don't want to see it either!

**Your group leader must approve and the Quake dress code still applies.**
